ANCHOR

Cotton Canvas Tarpaulins

Fabricated from genuine Cotton Canvas, make them the toughest of tarpaulins. Quality chemical adhesives used in the coating process ensure that they are 100% waterproof. Stitched with ISI grade coats and fixed with super strong eyelets. Manufactured as per specifications.

Available in attractive colors and custom-made sizes.

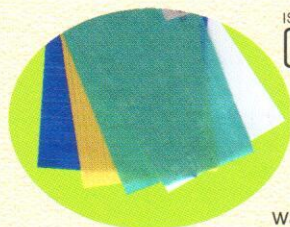

ANCHOR & RAINPAULIN

HDPE Tarpaulins

Fabricated from HDPE woven fabrics with two layers of LDPE film in different gauges. Heat-sealed, 100% waterproof. Immune to ultraviolet rays, it is U V stabilised. Resists acids, alkalies and salt. Heavy duty grommets every three feet on sides and corners. Accidental tear does not expand easily. Easily repairable. Lightweight, durable and economical. Range includes **IS: 7903 Tarpaulins.**

Available in attractive colors and custom-made sizes.

Silpaulin Tarpaulins

Fabricated from cross-laminated plastic film in different gauges. Ultrasonic welding facilitates strong joints, thus making them 100% waterproof and durable. U V stabilised. Excellent tensile strength: tear, puncture and impact resistant. Easily repairable. Range includes **IS: 14611 Tarpaulins.**

Available in attractive colors and custom-made sizes.
